

May 2024 Team Flag Promotion FAQ's:

- **What if I registered as a team captain and have more than four others registered already?**
 - Congratulations - you're halfway there! When your team raises \$500, your team will receive the personalized team branded flag.
- **What if my team has also already exceeded the \$500 needed?**
 - Congratulations! Your Walk Manager will let you know when the flag arrives to coordinate a time to pick up.
- **Do all donations to my team count toward the \$500 requirement?**
 - Absolutely! And the more team members you have who fundraise, the more incentives you will receive! When each team member raises or donates \$100, they also each qualify for the official 2024 Walk to End Alzheimer's T-shirt.
- **How long will it take to receive the branded flag?**
 - Please allow 4-6 weeks from the end of the promotion on May 31, 2024, for production and shipping. Your Walk Manager will coordinate a time with you to pick up your team branded flag. Once received, we encourage teams to display the flag at your place of business, organization, or care community to help promote the Walk and encourage others to join your team.
- **I have more questions about recruiting team members and/or fundraising, who do I contact?**
 - Your local Walk Manager can help!
 - For TIFFIN, NORTH CENTRAL OHIO / MANSFIELD, & ERIE SHORES / SANDUSKY: Erica Parnisari / ELParnisari@alz.org / 419.216.2973
